

Moorings 51.5 (Cyclades 51)

Designed by Berret-Racoupeau and built by Beneteau, the Mooring 51.5 is the latest addition to our fleet. She features a large cockpit, generous interior volumes, 4 double cabins with en-suite heads and shower, plus crew quarters with a head and sink in the peak. The large galley is across a U-shaped saloon with a large table that also converts to a double bed. An additional settee offers more seating and additional storage. Behind the settee, a full size cabinet provides additional refrigeration storage and counter space. Generous water and fuel capacities, a standard generator and air conditioning add to the comfort of this blue water cruiser.

The Cyclades 51 is three times Bareboat Overall winner at the Heineken Regatta, St. Maarten with some 32 boats of this type competing out of a fleet of 100 bareboats.

Should the entry at the Golden Rock Regatta exceed 5 Cyclades 51's, the fleet will sail as a "One Design" Class. The current fleet available in Oyster Pond, St. Martin consists of 4 x Mooring 51.5 and 2 x Sunsail 50's. Additional boats can be chartered from Tortola (or delivered from there for a delivery fee of € 520,00).

Max Passengers	11
Cabins	5
Toilets	5
Showers	5
Length O/all	15.62m
